

## Global Optimization in Action Continuous and Lipschitz Optimization Algorithms, Implementations and Applications Nonconvex Optimization and Its Applications

By János D. Pintér

Springer. Paperback. Book Condition: New. Paperback. 480 pages. Dimensions: 8.9in. x 6.2in. x 1.3in. In science, engineering and economics, decision problems are frequently modelled by optimizing the value of a (primary) objective function under stated feasibility constraints. In many cases of practical relevance, the optimization problem structure does not warrant the global optimality of local solutions; hence, it is natural to search for the globally best solution(s). Global Optimization in Action provides a comprehensive discussion of adaptive partition strategies to solve global optimization problems under very general structural requirements. A unified approach to numerous known algorithms makes possible straightforward generalizations and extensions, leading to efficient computer-based implementations. A considerable part of the book is devoted to applications, including some generic problems from numerical analysis, and several case studies in environmental systems analysis and management. The book is essentially self-contained and is based on the authors research, in cooperation (on applications) with a number of colleagues. Audience: Professors, students, researchers and other professionals in the fields of operations research, management science, industrial and applied mathematics, computer science, engineering, economics and the environmental sciences. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

### Reviews

*Very good eBook and valuable one. This is for anyone who states that there was not a worth reading. You will not truly feel monotony at any time of your own time (that's what catalogs are for concerning if you question me).*

-- **Ms. Ona Muller**

*Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.*

-- **Prof. Jevon Frami**
