There are moments in life that simply take your breath away, like the first time you feel your unborn baby kick, a beautiful sunset, or the sparkle in your true loves eyes. Then there are moments that seem to undermine your very faith in God -- like 911, Hurricane Katrina, or the loss of a loved one. The Twilights Enchantment is my life represented through poetry, the moments that took my breath away, because these are the moments that truly matter in life. This item ships from La Vergne, TN. Paperback.
