Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Traveling to Rome and visiting the Eternal City can cause a lot of headaches. People try to sell you over-priced tickets, taxi drivers try to rip you off, museums lines might be so long you might think you will never get in. Then when you finally found a nice place to drink a cappuccino or have a nice Italian meal, you can't believe your eyes when the bill arrives. You might even wonder what made you ever come to this place! It does not have to be like that. Actually, it should not be like that. Rome is one of the most beautiful places in the world. Your visit to Rome will definitely be a pleasant one, as long as you read through the more than 100 tips I'm going to give you. I divided my tips geographically, so you find tips about visiting the Saint Peter's Basilica under the chapter Saint Peter's Basilica. I hope this book will help you have the amazing experience...
