SOUND ADVICE: A SENSATIONS COLLECTION NOVEL (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A gentleman should always open a door for a lady. My Nana believed in manners. Always. I was even named after her idol, Emily Post. Nana s Rules to Live By were a solid set of guidelines I never questioned. But when the brooding, sexy man held the door for me, I wasn t prepared for the lasting impression he would make on me. A man should always make the first move. Since the moment Jess Carter and I bumped into each other, literally, our lives entwined in a way I couldn t quite understand. He was a complete contradiction of everything I ever planned for my future. But the more I saw him, learned about him, the more I questioned everything I wanted. His reserved personality kept him at a distance, though, and sitting back, waiting for him to make that first move was difficult. Children should be seen and not heard. As a single father, Jess daughter held the key to all of their secrets. Suddenly, all I wanted was to repair the damage the Carters had endured. And I wanted to hear everything his daughter had to say. As always, my nana s sound advice on love and relations evolved in timeless ways when it came to helping two people who had so easily woven their way into my heart.
