Taunton Press, United States, 2012. DVD video. Condition: New. Language: English . Brand New Book. Master joinery techniques and craft a future heirloom. In about 80 minutes Shaker Chimney Cupboard provides you with a complete overview of what it takes to build a classic piece that offers ample storage on a small footprint. Expert woodworker and art director at Fine Woodworking Michael Pekovich walks you through cutting the case joinery to applying paste wax like a pro in this DVD that includes a FREE SketchUp Plan. Refine your woodworking skills. This project shows you how to highlight the beautifully figured wood in the door panels, cut half-blind dovetails and decorative angled feet, construct asymmetrical drawers, match the grain on drawers perfectly, tackle tricky glue-ups, and more. Learn how to make custom drawer pulls. Discover options for making the custom knobs that lend authenticity to this classic piece. First, Michael shows how to turn and shape them from scratch on a lathe. Then, for those without a lathe, he shares his techniques for refining the shape and size of store-bought pulls for a subtle but unmistakable improvement. Tips for a beautiful hand-rubbed finish. Learn Michael s trade secrets for a durable finish that brings out the beauty of the wood. Now you can build a fabulous cupboard that fits any room of your house and learn plenty of insider tips for improving everything you build.
