Reviews

This pdf can be worthy of a read, and much better than other. I am quite late in start reading this one, but better then never. Its been printed in an remarkably easy way which is merely following i finished reading this book by which basically changed me, alter the way i think.

(Nedra Kiehn)

THE COST OF BEING FEMALE

Praeger. Paperback. Condition: New. 256 pages. Dimensions: 9.5in. x 6.5in. x 1.0in. The Cost of Being Female is 30 cents, say the authors of this new book on discrimination against women. They demonstrate their thesis by constructing an index that documents the costs of discrimination against women in five aspects of life: economic, political, social, education, and health. The index compares the costs for American women with those of women in Sweden, Norway, France and China, and measures the costs for three time periods: 1990s, 1950s, and the 19th century. The authors interviewed over 70 women, providing a human approach to the statistics of earnings, occupations, political participation, marriage, divorce, childrearing, education, and womens health. The womens narratives are living testimony to the experiences of the costs of being female. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
