Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which in fact modified me, altered the way in my opinion.

Foundation for Nonduality, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The MAGI Process-a thirty-eight step, dynamic spiritual methodology for the resolution of conflict and awakening-is a way of participating in the creative machinery of the world. Since, from a nondual perspective, we are part of the world, made by the world and simultaneously making the world, to do the Process is to engage fully with reality. It is to drop into the programming language that made and makes the world as we know it. The thirty- eight Steps of the MAGI Process are the actual answers about what is really here and who we are. They describe the essence of what you will find at every step of the journey when personal desires and questions come into contact with the great, impersonal vastness of Reality. The world is filled with seeds. Dust motes from the skeletons of stars float in the universe, condense and form suns, planets, and new life. The pine cone makes a forest of pines. The apple pip makes an orchard and fruit and a future apple-picking time. Each seed sets in motion a myriad of events, some predictable and some unknowable. But each seed is a lever that can move a mountain, start a family, make a new path, bring new hope, and change a world. The MAGI Process is a seed and we, when we use it, are the fruit, the life that springs from it. Some of why it works remains mysterious, but we can say this: by using the Process, we become a potent kernel and the world is where we are planted. When you finish doing a MAGI session, there is a kind of quietness that comes over you, but it is...
