Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from True Biblical Criticism In opening I assume that I am writing for an audience of believers, who are not themselves biblical critics, and do not expect to become such, but who are forced by circumstances to form some opinion as to the trustworthiness of modern biblical criticism. The necessity of some intelligent inquiry is the more pressing because they must often have been compelled to say, as the Athenians did to Paul: Thou bringest certain strange things to our ears: we would know, therefore, what these things mean. Baptists are as much bound by their organic principles to be open-eared as the Athenians; for they insist on personal intelligence as the basis of faith: but also as open-eyed; for whatever threatens the verbal explicitness, the accuracy of record, or the unequivocal simplicity of meaning in the language of scripture, threatens the foundations of their denominational life.
