iUniverse, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is 2020 when a mountain of rock weighing millions of tons hits the planet s atmosphere. As the rigid crust of the planet gives away, a massive chain reaction of earthquakes, tidal waves, and volcanic eruptions follows. The catastrophic event known as the Great Crash is deadly and swift. Life on the planet will never be the same. Four thousand years later, nine-year-old Prince Jadan studies the disastrous effects of the Great Crash with his tutor. As he learns about the characteristics of Mutants and the differences between Fusors and Cabals, he has no idea that he will soon be putting his newfound knowledge to work. After he escapes the marauding Mutant army that kills his father and steals his birthright, Jadan is forced to hide in the forest where he is taught lessons of survival from a Cabal, half-man, half-spider. Thought dead by the rest of the world, Jadan returns as a teenager to unite his kingdom against Mutant warlords and half-humans. But first, he must prove himself worthy. In this adventurous tale, not everyone believes Jadan is the Chosen One. Left with no other options, Jadan must embark on a dangerous quest to fulfill his destiny and claim a fabled sword-before it is too late.
