

The Calculus Story: A Mathematical Adventure (Hardback)

Filesize: 6.09 MB

Reviews

It is one of the most popular ebooks. I have studied it and I am certain that I am going to likely read it again and again in the future. I am happy to inform you that this is actually the greatest ebook I have studied in my very own life and might be the best ebook for possibly.

(Alison Stanton)

THE CALCULUS STORY: A MATHEMATICAL ADVENTURE (HARDBACK)

[DOWNLOAD](#)

Oxford University Press, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. Calculus is the key to much of modern science and engineering. It is the mathematical method for the analysis of things that change, and since in the natural world we are surrounded by change, the development of calculus was a huge breakthrough in the history of mathematics. But it is also something of a mathematical adventure, largely because of the way infinity enters at virtually every twist and turn. In The Calculus Story David Acheson presents a wide-ranging picture of calculus and its applications, from ancient Greece right up to the present day. Drawing on their original writings, he introduces the people who helped to build our understanding of calculus. With a step by step treatment, he demonstrates how to start doing calculus, from the very beginning.
