Before Neil Jonathan Johnson was cryonically preserved in 2008, he didnt think he would ever be brought back to life. So when he is revived more than a century later, hes not ready for the world he encounters. Amazing technological advances. Social and Political change. Grandchildren twice his age. Humanoid robot workers. Laser and EMP weapons so lethal theyre illegal, but still available to people with the right connections. And since no one from his previous life is still alive, he cant understand why someone in this world is trying to kill him. Follow Johnsons adventures as he is resurrected to face a new world--and find a second chance at life--in this innovative and imaginative mystery-thriller. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
