Hampton Roads Publishing Co, United States, 2014. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book. Home is Where You Are This slim volume challenges readers to discover their place in the universe. In it, teacher, author, and spiritual leader Gangaji offers the radical invitation to: Examine one's own life. Choose to wake up from the trance of who you think you are and experience the truth of who you really are. Resolve not to go back into the trance by turning away from that essential experience of waking up. Freshly inquire anew as thoughts or feelings of separation arise. Gangaji's invitation is radical in part because it is not based upon a particular philosophy or religion. There are no prescribed practices or rituals, unless one considers self-inquiry or self-observation a practice. Most radically, it calls into question the very structure of who we've believed ourselves to be. Who you are is not separate from God or Love or Truth or Freedom or Peace or Silence, whatever one chooses to call it. Therefore, there is nothing you have to do to get there. No merit to be earned. Who you are is already here, has always been and will always be. The invitation in this book is to wake up and be Yourself. My life is given to what I have received, which is the truth of living peace, fresh fulfillment. My life is given to serving that truth, that fulfillment in you.
