Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Halidon Hill: A Dramatic Sketch, From Scottish History Though the Public seldom takes much interest in such communications, (nor is there any reason why they should,) the Author takes the liberty of stating, that these scenes were commenced with the purpose of contributing to a miscellany projected by a much esteemed friend. But instead of being confined to a scene or two as intended, the work gradually swelled to the size of an independent publication. It is designed to illustrate military antiquities, and the manners of chivalry. The Drama (if it can be termed one) is in no particular either designed or calculated for the stage.
