Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As King Arthur lay dying, his final command was for Sir Bedivere to return Excalibur to the blessed guardian of the lake. And thus, a grand era came to an end. But Morgan Le Fay was not about to let the throne of Bretunia sit idle. With her fierce some Dragonarmies, she swept down from Castle Morgana, devastating the lands with the help of the Dark Lord Na-Sheol. Within Castle Camelot, the young Crown Prince Uriel was determined to recover the fabled Excalibur so as to come against the forces of Queen Morgana. To do so, the knight-designate must run-away from home - turning his back on all the teachings of the Knighthood. Where will his improbable mission lead him? Who will aid him, and who will seek to destroy him? With treachery from within and odds stacked against Prince Aubriet, this first volume will see him banding with three unlikely comrades and stumbling upon Archmage Merlin s first clue of the Prophecy , found deep within the desert of Talmisra. The dark clouds have gathered in the north, and the fate of Camelot is about to change, forever.
