Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the PRELIMINARY. IT is with great diffidence that the Author of this book puts himself into the place of a teacher. It is a lofty office, and one from which all arrogance, self-interest, and every personal feeling should be carefully eliminated. My own interpretation of that function is that moral or spiritual teaching should not be so much directed to the enforcement of any rules of life or conduct from the outside as to the indication of, and reference to, that internal Monitor which abides in all of us, which, after all has been said and done, will assert its right to be heard, and, finally, will give a decisive verdict upon every point and principle set before it. In addressing the following observations to religious thinkers, I mean those who are not, or who do not wish to be, moved by external presentments, who are free from every form of religious faction, bigotry and exclusivism, who, though they may be worshipping in churches, are not restricted by them, regarding them as a means, and not an end; not necessarily synonymous or identical with Divine Truth to the adherent at every stage of his religious development, but rather as a ship which takes us to the shore of our wishes, which may then be abandoned or dispensed with in the attainment of a larger freedom, in the development of the apprehension of an Inward Law which commands us with a stronger and more irresistible force than any external restrictions, as that of the Kingdom of Heaven which is within us. And surely the time has now come for such an appeal to be made, in the awakening sense...
