Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Matter of Conscience is a romantic thriller based around the conflict between Israel and Palestine. Through pure coincidence, a young Englishman who was bought up in Saudi Arabia meets an Israeli scientist at a university party and during their ensuing romance finds himself accidentally placed in a position to bring great pressure on politicians who dictate the plight of millions of people. A fictional story that highlights one of the Worlds on going problems and some of the real facts surrounding it. Also a chilling reminder of how a small breach of security can escalate to enormous proportions.
