Reviews

Undoubtedly, this is actually the finest work by any author. Of course, it is perform, nonetheless an amazing and interesting literature. You will like just how the article writer publish this book.

(Dr. Isom Dibbert Jr.)

SOUP AND BREAD COOKBOOK: BUILDING COMMUNITY ONE POT AT A TIME

DOWNLOAD

Agate Publishing, United States, 2011. Paperback. Book Condition: New. 193 x 152 mm. Language: English . Brand New Book. The Soup and Bread Cookbook aims to explore the social role of soup through a collection of terrific, affordable recipes from food activists, chefs, and others. This quirky exploration of the cultural history of soup as a tool for both building community and fostering social justice is the result of a brainstorm: eating your way through a pot of soup day after day can get boring -- why not get together and swap some with friends? Now neighbors across the country are getting together regularly for home-based soup swaps. In Chicago, the arts collective InCUBATE uses soup as a microfunding tool. And of course, soup can be a political statement: the radical volunteers of Food Not Bombs have been providing free vegetarian soup to the hungry as a protest against war and social injustice since 1980. These are just a few examples of the stories Bayne wraps around a collection of delicious, accessible, and tested soup recipes.
