Wingspread. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 9.6in. x 8.9in. x 0.6in. In the Giving Workbook kids will have their questions answered about what it means to give. The idea of giving is a difficult concept for children to understand. Perfect for use in Sunday school, Bible clubs, midweek programs, childrens church and even at home with a parent. Why do they have to give? Aren't parents the ones with all the money? This workbook helps explain to children the importance of giving as an act of obedience to God. Additionally, this book clarifies the specific reasons to give: to help the church pay the bills and bring more people into God's family. It helps kids understand that their money is going to support the church and bring glory to the Lord. Also explained is how much to give and how to give. Kids are reminded that the most important part of giving is your attitude, because God loves the person who gives happily! Activities include a connect the dots and coloring page. Students will be able to design their own offering envelope, read the story of Alex and the Lemonade Stand and count the coin pile. This Childrens Workbook, designed especially for kids in grades 2-5 by Richard Todd, is part of a series that is most beneficial when used in conjunction with the other Wordbooks. These Wordbooks are a great tool to accompany any special classes a church may offer for children or families on each of the topics: Salvation, Baptism, Communion, Giving and the Church.
