Amber Hope, United States, 2015. Paperback. Condition: New. Amber Hope (illustrator). Language: English . Brand New Book ***** Print on Demand *****.You couldn't wait for potty training to be over. You thought that would be the end of it. No more baby butt-wiping for you! And then reality set in. Your child might be able to sit on the potty and take a poop, and yeah, technically he can wipe his butt. But what a mess! And even if the bathroom and the hands make it out alive and relatively clean, sometimes the underwear doesn't fare quite as well. How many times have you found a scary mess while sorting the laundry? And how many times did you give it up for a lost cause, and so you threw the whole mess away, underwear and all? And what do you say to your child? You need to wipe better. Yeah. That works well, doesn't it? So You Think You Can Wipe might not teach your child exactly how to wipe, but it will open up the conversation in a lighthearted, funny way. It covers all the bases, will make you and your child laugh - and you will both realize that you are not alone. So, stop the skid marks and save those skivvies! Read So You Think You Can Wipe with your child today!.
