McElderry. 1 Paperback(s), 2012. soft. Book Condition: New. What price is too high to pay, even for love? When Jace and Clary finally meet again, Clary is horrified to find that the demon Lilith's magic has bound her beloved Jace together with her evil brother Sebastian, whom he now serves. The Clave is out to destroy Sebastian, but there is no way to harm one boy without destroying the other. As Alec, Magnus, Simon, and Isabelle bargain with Seelies, demons, and the merciless Iron Sisters to try to save Jace, Clary plays a dangerous game of her own, which could not only cost her life, but also Jace's soul. In her wildly popular supernatural fantasy series for young adults the first three volumes were all named ALA Teens' Top Ten Books. Cassandra Clare chronicles the daring adventures and tangled romances of a cadre of partially angelic demon hunters as they prowl the streets of modern New York City. "The Mortal Instruments series features a rare marriage of extremely intricate, fast-paced plotting with ample digressions into the emotional lives of characters we've come to care about deeply. Smart, fun, and epic, these books are addictive for all the right reasons." Locus "If a cliff-hanger can be considered satisfying, then this book delivers." VOYA (starred review) 535.
