## EUROPE IN THE LOOKING GLASS (PAPERBACK)

Hesperus Press Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Three rich young Englishmen cross pre-World War II Europe in an old car with a mixture of laugh-out-loud humor and perceptive commentary on art and architecture. Turning a corner we suddenly found ourselves sliding down a precipice, tilted so far forward that it was necessary to hold ourselves back with our hands pressed against the dashboard, as half a dozen Apennine valleys beckoned invitingly below. Here [St Peter's] Popes with black faces and golden crowns are wallowing twice life-size in the titanic folds of marble tablecloths, their ormolu fringes festooning upon the arms of graceful skeletons to disclose some Alice-in-Wonderland door or the grim hinges of some sepulchral grill . . . Best known as the author of *The Road to Oxiana*, published in 1937, Robert Byron had developed his considerable writing skills on this travel book which has not been in print since 1926. It describes a journey Byron made with three friends, driving across Europe between two world wars, and mixes political and historical analysis with architectural insights, classical scholarship, and the day-to-day adventures of three young and not very experienced travelers. For fans of Robert Byron's work this will be a discovery; for others it will be an introduction. Includes nine original sketches made by the author during his travels.
