HOW TO PRESS AMERICA S RESET BUTTON: A SIMPLE, SAFE, LEGAL AND EFFECTIVE METHOD TO REGAIN CONTROL OF OUR GOVERNMENT (PAPERBACK)

Viavera Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How to Press America s Reset Button lays out exactly how you can take back control of your government by severing the ever-increasing power that lobbyists, billionaires and other special interest groups have over our elected officials. This down-to-earth, easy-to-read handbook was written by a man whose concern for his children s future inspired him to search for a way that he could personally change the country s course for the better. After months of exhaustive research, he stumbled upon America s reset button, a key to fixing our government that every American can put into action. How to Press America s Reset Button doesn t favor any party, nor does it bash any individual, group or ideology. Instead, it offers a specific, effective solution Americans can use to actively--and very easily--put their country on a new path of repair, stability and growth. Surprisingly simple and incredibly powerful, pressing the reset button will completely upend how business is currently conducted in Washington. It s not a hope or a wish, but a way to make real change--before things get so bad, there s no turning back.
