HOUSING CO-OPERATIVES

Castleton Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 176 x 110 mm. Language: English . Brand New Book ***** Print on Demand *****.At a time of growing housing crisis this republication of John Hands s classic Housing Co-operatives could not be timelier. It provides a unique mixture of theory and practice, showing from other countries and from the author s own experience in Brtain how housing co-operatives can work and how they can fail. In a new Introduction John Hands argues that the creation of a third tenure for housing distinct from both individual owner occupation on the one hand and tenancy-whether from private or social landlord-on the other hand is urgently needed. The par value housing co-operative provides the residents with all the benefits of ownership in terms of control and decision-making, but it is housing for use, not property for investment. Moreover, as the book shows, a well-structured co-operative promotes the development of community values based on mutual aid and shared responsibility for their homes and immediate neighbourhood. **REVIEWS** This is a book for those who believe in the power of people to shape their own lives. -The Catholic Herald Shock, horror, drama. A new book is out about housing which says it s all about people and not about social engineering or investing for your old age.it s by John Hands who has actually succeeded in doing what he s talking about, which is to set up co-operative housing schemes that actually work. -The Guardian John Hands timely and exemplary guide is marvellous.this is a book for all concerned in with the role of and effects of housing in this society of ours. -The Architects Journal A most powerful mixture of common sense and idealism, a practical man s gospel and a visionary s handbook.this is...
