It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Georgetown University Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The first two articles provide a theoretical discussion on regional integration, while the following three articles present case studies on regional organizations - the Shanghai Cooperation Organization, the Arctic Council, and ASEAN. Other contributions to this issue include articles about self-defense groups in Mexico, reconstruction efforts in Afghanistan after the 2014 withdrawal, the Chinese middle class, and Scotland's referendum on independence. The issue also features interviews with Ambassador Joseph D. Stafford III on his experience in the U.S. Embassy in Tehran during the hostage crisis, Professor Joseph S. In selecting the topics for this issue we have reached beyond the headlines in an effort to explore tough and persistent global problems. The Georgetown Journal of International Affairs is the official publication of the Edmund A. Walsh School of Foreign Service at Georgetown University. Each issue of the journal provides readers with a diverse array of timely, peer-reviewed content penned by top policymakers, business leaders, and academic luminaries. The Journal takes a holistic approach to international affairs and features a Forum that...
