HESIOD AND THEOGNIS (PAPERBACK)

To get **Hesiod and Theognis (Paperback)** eBook, make sure you follow the link beneath and download the file or have access to additional information that are relevant to HESIOD AND THEOGNIS (PAPERBACK) ebook.

Penguin Books Ltd, United Kingdom, 1976. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Together the poetry of Hesiod and Theognis offers a superb introduction to the life and thought of ancient Greece. Hesiod s Theogony (c. 725 BCE) is a powerful creation myth: an epic, bloody tale of dark forces, sex and violence, tracing the history of the world from primeval Chaos to the establishment of Zeus as supreme king of the gods. In contrast, Hesiod s Works and Days, written to advise his indolent brother Perseus, is an intriguing, sophisticated combination of ethical maxims, social and political comment and superstitious law. Elegiac rather than epic, the works of Theognis - written some two centuries after Hesiod - include theological speculations, love lyrics and moral advice for his protege Kurnos, reflecting the moods and themes of an aristocratic poet who mourned a changing Greek society.
