

The Everyday Life of the State: A State-in-Society Approach

Filesize: 4.09 MB

Reviews

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.

University of Washington Press. Paperback. Book Condition: new. BRAND NEW, The Everyday Life of the State: A State-in-Society Approach, Adam White, Joel S. Migdal, Today there are more states controlling more people than at any other point in history. We live in a world shaped by the authority of the state. Yet the complexion of state authority is patchy and uneven. While it is almost always possible to trace the formal rules governing human interaction to the statute books of one state or another, in reality the words in these books often have little bearing upon what is happening on the ground. Their meanings are intentionally and unintentionally misrepresented by those who are supposed to enforce them and by those who are supposed to obey them, generating a range of competing authorities, voices, and allegiances. The Everyday Life of the State explores this "everyday" transformation of state authority into multiple scripts, narratives, and political activities. Drawing upon case studies from across the Middle East, North Africa, and Asia, the chapters in this book investigate the many ways in which those subjects traditionally regarded as being weak, passive, and obedient manage not only to resist the authority of state actors but to actively subvert and appropriate it, in the process making, unmaking, and remaking the boundaries between state and society over and over again. Collectively, these chapters make an important contribution to the expanding literature on "everyday politics." The "state in society" concept used in this volume has been developed by political scientist Joel S. Migdal, the Robert F. Philip Professor of International Studies in the University of Washington's Henry M. Jackson School of International Studies. Adam White is the author of The Politics of Private Security: Regulation, Reform and Re-Legitimation. The contributors include Senem Aslan, Lauren L. Basson, Ceren Belge,...
