

## When God Interrupts: Finding New Life through Unwanted Change (Paperback)

By M. Craig Barnes

InterVarsity Press, United States, 1996. Paperback. Condition: New. Language: English . Brand New Book. Our lives are constantly changing. It s hard to keep up, to keep our balance. It s hard to keep trusting in God. And it s especially difficult when the changes we re faced with are unwanted: the death of a loved one, a child leaving home, an illness, a frustrated dream. Craig Barnes knows the dark side of change. As a pastor, he has counseled many Christians through tough times of transition. And he has been challenged by unwanted changes--interruptions--in his own life. At times it seems as though God has moved far, far away. But Barnes has discovered that just the opposite is true: during times of change and seeming abandonment, God is right at our side offering to lead us in a new direction, offering us new life. He writes, A young widow can outlive her grief and decide her life may never be the same but is far from over. A lost job can become the beginning of a new vocation. Here is the book for all who have known disappointment, bereavement or the shattering of faith, a book all the more...
