

Fuel: The Most Important Number in Your Financial Life

By Alok Deshpande

SmartPath Publishing. Paperback. Condition: New. 172 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Financial fuel is the amount of money you spend less than you make. It's the most important number in your financial life. If you want to pay off debt, you need fuel. If you want to save for retirement, you need fuel. Thinking about buying a house you'll need fuel. In fact, every financial goal or dream you have needs fuel. So why don't you hear more about financial fuel? The reason is simple - no one makes money from fuel except you. Big corporate marketing budgets aren't spent on helping you spend less than you make. Our economy doesn't grow and businesses don't profit by encouraging you to live within your means. Fuel is like air - required for life, but rarely discussed. This book teaches you how to track your fuel, get more fuel and 7 tanks you should fill with your fuel. It's 100 percent focused on the most fundamental, but most difficult, aspect of building wealth - spending less than you make. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
