LIVE YOUR LIFE OTHER STORIES (PAPERBACK)

Wising Up Press, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In her second book of stories, *Live Your Life Other Stories*, Kerry Langan explores, through characters drawn from academe and the wider world, the myths that unconsciously shape our behavior and our sense of possibility-and what happens when, in an unguarded moment, an unforeseen circumstance, we catch a defining glimpse of who we actually are. In the first section, *Live Your Life!*, an unemployed philosophy major fresh from college tries to live out his utopia; a teenage telemarketer learns success is more than cold calls and sales volume; a jilted groom stumbles into a full life; a hair dresser and single mother discovers freedom where she least expects it; a soap opera star finally learns where his character ends and he begins. In the stories in *A Lonely Virtue*, all set in a small college town, a student balances the scales with her seductive teacher; a post-doc on her first job interview unwittingly follows in her mother's footsteps; a competitive professor learns what he has in common with a colleague he scorns; a shy dean discovers courage and his ambitious wife come-uppance. We recognize ourselves in these characters; they cause us to wince and to laugh, and to wonder what myths we may be blindly living by-and what surprises await us if we open our eyes. Kerry Langan will delight her readers with her comic eye, her honest heart, and her feats of characterization. These smart, lively stories are more than a pleasure to read. They are fun to read. Joe David Bellamy, author of *Green Freedom* and *Atomic Love* The characters in *Live Your Life*, Kerry Langan's masterful new collection of short stories, are you, me, and everybody: people...
