Dr. Makenna Hadley had been living the life of her dreams. She was teaching Colonial Women s history at the small Nevada college in the town where she grew up. She had fallen in love and was living with a handsome, brilliant professor with a reputation as the best scholar on George Washington in the nation, which gave her notice and prestige. As she reads, she becomes enthralled with the tragic story of a young woman, and the Revolutionary war soldier she loved and tried to save. She also learns about the local legend that says her apparition still inhabits the town. If she could prove what was written in the journal was true about this important man, it would be the most important historical find in decades. In her search for the truth, she encounters an array of quirky characters; a shy librarian desperately searching for love, and an egotistical museum curator who is sure her...
