

## 80 Ways to Prosperity with Feng Shui

By Arun Lama

Penguin, New Delhi, India, 2004. Paperback. Book Condition: New. Dust Jacket Condition: New. First Edition. The ancient Chinese art of feng shui is increasingly being adopted by many in their quest for personal peace and prosperity. Literally meaning 'wind' and 'water', it is a system of laws governing spatial arrangement and orientation in relation to the flow of positive and negative energies (chi). Although an elaborate art, it is not difficult to grasp when presented systematically. 80 Ways to Prosperity with Feng Shui sets out the principles and rules of feng shui, step-by-step, with practical applications and relevant examples focussed on the current time cycle (Period 8) which began in February 2004. Printed Pages: 200. Size: 13 Cms x 20 Cms.
