Empowered I.N.C. in the Name of the Creator, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is not just another book about surviving breast cancer. It s about living and thriving beyond breast cancer; it s about the blessing -yes the blessing- of breast cancer; it s about choice and healing the body through nature- nutrition along with traditional medical treatment. It s about living a lifestyle, thinking differently and choosing life over death. It s about choosing faith over fear and about trusting what you believe and know. It s about taking charge of the rest of your life, about viewing problems differently, about asking yourself if you are willing to change, especially if your life depended on it. It s about triumphing over trials, and daring to go against the common trends in cancer care and in life. It s about tears of joy and not defeat! It s about LOVE, and divine intervention, and sometimes it s about standing alone, yet knowing that you are not alone, because your very best, most loyal and consistent friend is with you-GOD! It s about ordinary women who let go and let God, women who now share their stories with you, so you too can let go, no matter what the trouble -health or otherwise- in your life! I am not the first to be diagnosed with cancer, and unfortunately, I will not be the last; but for ordinary people like me and the women who shared their stories in this writing, who get the news of cancer, I want them to know that it is not a death sentence but rather a blessing, an opportunity to redirect their energies to better caring for and loving themselves. For me, I could...
