

Detail in Contemporary Concrete Architecture (Hardback)

By David Phillips, Megumi Yamashita, Virginia McLeod

Laurence King Publishing, United Kingdom, 2012. Hardback. Condition: New. New. Language: English . Brand New Book. Detail in Contemporary Concrete Architecture provides analysis of both the technical and the aesthetic importance of details in modern concrete architecture. Featuring the work of renowned architects from around the world, this book presents 49 of the most recently completed and influential concrete designs for both residential and commercial architecture. The projects are presented in clear and concise layouts over four pages. All of the drawings are styled consistently and presented at standard architectural scales to allow for easy comparison. Each project is presented with colour photographs, site plans and sections and elevations, as well as numerous construction details. There is also descriptive text, detailed captions and in-depth information for each project. A bonus CD-ROM contains drawings from the book, in both EPS and DWG (generic CAD) formats.
