

The Wars of the Roses

By Michael Hicks

Yale University Press. Paperback. Book Condition: new. BRAND NEW, The Wars of the Roses, Michael Hicks, The Wars of the Roses (1455-85) were a major turning point in English history. But the underlying causes for the successive upheavals have been hotly contested by historians ever since. In this original and stimulating new synthesis, distinguished historian Michael Hicks examines the difficult economic, military, and financial crises and explains, for the first time, the real reasons why the Wars of the Roses began, why they kept recurring, and why, eventually, they ceased. Alongside fresh assessments of key personalities, Hicks sheds new light on the significance of the involvement of the people in politics, the intervention of foreign powers in English affairs, and a fifteenth-century credit crunch. Combining a meticulous dissection of competing dynamics with a clear account of the course of events, this is a definitive and indispensable history of a compelling, complex period.

Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).

-- **Tevin McClure**

This book might be well worth a study, and much better than other. Indeed, it can be perform, continue to an amazing and interesting literature. I realized this publication from my i and dad suggested this book to find out.
