I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Examining the first 11 chapters of Genesis, Dr. Kern gives indepth evidence from science, archeology, history and scripture, providing an invaluable tool to those who want to give an answer for what they believe. I have had the opportunity of reading No Other Gods prior to its publication and am privileged to write a Foreword introducing this helpful new book. . . I believe this fine treatment could be a life-changing experience. -Henry M. Morris, Institute in Creation Research The foundation of Gods revealed truth is the book of Genesis.
